

Ventura Freeway (SR-134) On-ramp Construction at Hollywood Way in Burbank

The Hollywood Way on-ramp at Pass Avenue in Burbank.

Update - February 10, 2011

Summary

New on-ramp construction is located in the City of Burbank's Media District, which is expected to grow significantly. The accompanying traffic increase will contribute to greater use of the Hollywood Way on- and off-ramps. Burbank has identified the improvement of the Hollywood Way on-ramp as vital to the economic growth of the region.

This project is in the final stages of construction to:

- Build a concrete barrier west of Pass Ave.
- Pave, realign, and widen the existing Hollywood Way on-ramp.
- Pave and permanently align the new Hollywood Way on-ramp to SR-134.
- Plant trees.
- Construction is expected to be complete by Spring 2011. Delays may occur.
- **Unforeseen delays may occur.**
